Mindful Practice in Medicine (MPIM)

FACILITATOR TRAINING WORKSHOP

With: **Michael (Mick) Krasner**

Professor Emeritus of Medicine at the
University of Rochester School of Medicine
& Dentistry.

**This facilitator training is for those who have completed the MPIM
core workshop at least 3 months prior to this workshop**

It will take a deep dive into the key elements of MPIM:

- Mindfulness Meditation
- Narrative Medicine
- Appreciative Inquiry

Participants will be engaged in discussions and supervised teach-back
sessions in pairs and small groups.

The latest MPIM resources will be made available to trained facilitators
after this training.
